## JOIN THE FRIENDLY HOUSE LEGACY!

For over forty years, we've run Friendly House's

Preschool based on the belief that children need an individualized early childhood education program, focused on each child's social, emotional, cognitive, and physical development. We provide an environment for children's growing social interactions, and promote cooperation and problem solving skills, as well as kindergarten readiness.

## OUR PRESCHOOL PROGRAM INCLUDES:

- High teacher-to-child ratio (3 teachers to a class of 20 children).
- Weekly parent newsletter highlighting that week's curriculum and activities.
- Developmental screenings for children.
- Strong partnership with the NW Library, including monthly visits from the librarian and weekly book bags to take home.
- Neighborhood field trips.
- Family socials and parent teacher conferences.

## PROGRAM DETAILS

We embrace diversity—our tuition is based on a sliding fee scale with scholarships available. Subsidized enrollment is

available for those who qualify.

Our program is for 3–5 year olds. We offer one full-day class (3 or 5 days per week, days flexible on 3-day option) and one half-day morning class (4 or 5 days per week, either Tue–Fri or Mon–Fri). Each class has a capacity of 20 students, led by three preschool teachers.
